Guidelines for Discretionary Grant Making

The focus of 2015-2016 Discretionary Grant making in the Agnese Nelms Haury Program in Environment and Social Justice is to give voice about environmental issues to underrepresented groups. This funding is directed to very small grants for activities such as travel and participation in meetings, conferences, and collaborations, production of materials and distribution through media.

Requirements
Short written proposal (no more than two pages) with a one-month lead-time for decision

- Name of project/person
- Affiliation and Contact Information
- Purpose of funding
- Outcomes expected including number served, how this will substantively expand the input of underrepresented populations in general societal discussions and policymaking, potential for sustainable input and collaboration
- Budget

Review

- Relevance to Haury Program goals and portfolio
- Impact vis-à-vis underrepresented groups participation in activities
- Potential for participation of students and educational opportunities
- Sustainability of efforts beyond this funding

Submit the proposal via email to Anna H. Spitz, Director at aspsz@email.arizona.edu.
